Welcome Back
New Location for Foundation

WELCOME – Welcome back to all staff – teachers, administrators, support staff, district staff and the Board of Education. Special thanks go out to staff members who were on the job during July and August, ensuring schools would be ready for opening day. We wish everyone a smooth start-up and a great school year for 2017-18!

NEW LOCATION – As you may recall, Nanaimo-Ladysmith Schools Foundation has a new location. The foundation moved into Meeting Room B at NDSS during the summer months. The phone number remains unchanged 250 753-4074; however the Foundation no longer has an active fax number but accepts scanned documents by email.
