## PowerLite 108 XGA 3LCD Projector

Q ZOOM IN

### Bright classroom projector with enhanced connectivity and audio.

The bright, easy-to-use PowerLite 108 classroom projector features advanced connectivity and premium 16 W audio. Offering remarkable colour accuracy, Epson® projectors deliver up to 3x Higher Colour Brightness<sup>1</sup> over competitive DLP projectors. This reliable performer features 3,700 lumens of colour/white brightness<sup>2</sup>, plus XGA resolution. Its long-lasting lamp, which delivers up to 12,000 hours in ECO Mode<sup>3</sup>, lowers maintenance costs. Optional wireless and built-in RJ-45 connectivity offer advanced network control and support the simultaneous display of multiple screens — including from Chromebooks<sup>4</sup>. It also features easy setup and 2x HDMI<sup>®</sup> (1x MHL<sup>®5</sup>).

**Projection System:** 3LCD, 3-chip technology

**Native Resolution:** 1024 x 768 (XGA)

**Colour Brightness:** 3700 lumens<sup>2</sup>

**White Brightness:** 3700 lumens<sup>2</sup>

### The bright ultra short-throw presentation display for BYOD classrooms

Offering powerful brightness, the PowerLite 680 ultra short-throw presentation display takes classroom collaboration further. Designed for today's BYOD classroom, this XGA performer displays 92" images from just 11" away for optimal visibility. Offering 3x Higher Color Brightness<sup>1</sup> than competitive models, Epson® 3LCD projectors and displays ensure bright, vivid images. Delivering 3,500 lumens of color and white brightness<sup>2</sup>, the 680 ensures engaging presentations. It also features wireless functionality (module sold separately) and advanced connectivity, so teachers can share content from multiple student devices, including Chromebooks — up to four at once with Moderator software<sup>3</sup>. Plus, its lamp lasts up to 10,000 hours in ECO Mode<sup>4</sup>.
