

**RE: Learning with Syeyutsus**

Dear Mireille K.,

Thank you for your letter regarding the most recent guest in the Learning with Syeyutsus TRC 57 Speaker Series. Your correspondence was shared at a public Board meeting held on Wednesday, May 26.

The TRC 57 Speaker Series is in response to the Truth and Reconciliation Commission's Call to Action #57 to raise awareness of Indigenous topics for NLPS staff, students and the broader community. In partnership with UBC Press, it includes voices and opinions of Indigenous and non-Indigenous authors on a variety of topics.

We have curated a series covering a range of topics including true histories, pedagogies, self-determination, land resurgence and stories to spark ideas for further exploration and deeper learning.

The TRC 57 Speaker Series is part of the [Syeyutsus Reconciliation Policy Framework](#) and is guided most importantly by local Indigenous knowledge keepers as well as education partners and school district employees.

I invite you to take a look back at all of our speakers from 2020 and 2021 on the speaker series [website](#).

Sincerely,

Charlene McKay  
Board Chair
