501.3AP – Changes to School Organizations

Purpose

In requesting approval of significant changes to school organizational procedures, including adjustments to the length of the noon intermission, school staff shall consult beforehand with the parent community regarding the proposal. The response of the community to the proposal should be documented in the application.

All such applications shall be submitted to the Superintendent of Schools for recommendation to the Board.

The Superintendent of Schools may approve variations in school hours consistent with Board policy and the *School Act* Regulations.
