

Administrative Procedure 313 – Control of Motor Vehicles on School Grounds (Students)

AP 313 – Control of Motor Vehicles on School Grounds (Students)

Purpose

Access to school property by motor vehicles will be restricted to designated parking or service areas, or as authorized by Nanaimo Ladysmith Public Schools.

Students will only be allowed to bring motor vehicles onto school property with the prior permission of the school principal or his delegate.

Procedure

1. Operating a Motor Vehicle on School Grounds

On a violation of recognized good driving practice, disciplinary action up to and including the refusal of future access to school grounds may be taken.

2. Parking

Parking or operating a motor vehicle in other than a designated area may result in an individual receiving a verbal warning with further violation receiving disciplinary action up to and including the refusal of further access to school grounds.

3. Designated Areas

Appropriate action will be taken against any individual operating motor vehicles in other than a designated parking area. Operations or parking of a motor vehicle in a service area must have prior authorization.

When deemed necessary, the principal may report violations to the R.C.M.P.
