Expectations for Students on Buses

1. The bus driver is in charge and enforces rules on the bus within district standards. Students must be respectful and listen to the driver.
2. Students must be registered and use their bus pass to ride the bus to and from school. Continued instances of not producing a bus pass may result in steps within the disciplinary guidelines. Lost or damaged cards will incur a \$10 fee for a replacement card.
3. Students may be assigned a specific seat. They should take their seats quickly and must remain seated while the bus is in motion.
4. Keep voices low for safety. Students must not yell or raise their voices. Students must not swear or bother other students in any way (verbal or physical).
5. Leaning into the aisle, or legs/arms in the aisle is not permitted.
6. If riding a bus equipped with seat belts, the seat belt must always be worn. This is the law.
7. Extending arms, legs, or head out of the bus windows is extremely dangerous and is not permitted.
8. Eating, or drinking can be dangerous if the bus must stop suddenly. Therefore, it is not permitted on the bus.
9. Leaving waste or other rubbish on the floor or throwing it from the window is not permitted.
10. Smoking, vaping, graffiti, yelling, using profanity, loud media devices, or distracting the driver is strictly prohibited.
11. Students are not permitted to take pictures or record videos while on the bus. They are also asked to not use cellular phones or headphones/ electronic devices during the loading or unloading process.
12. Students may not have anything in their possession that may cause injury to anyone else on the bus.
13. Students must stay in bus loading zones while waiting and will load and unload the bus in an orderly manner.
14. Students must remain in the safety zone after getting off the bus. They are to remain there until the bus leaves and disperse when safe to do so.
15. If the bus does not arrive within 20 minutes of the scheduled time students should return home.

Disciplinary Guidelines	
1	Students will be given verbal reminders prior to any formal discipline.
2	<p>Conduct Slips If verbal reminders are not resulting in a change in behaviour on the bus, the issue will be reported to the school principal and the transportation manager. In addition, a conduct slip will be sent home to notify the parents of the concern. Parents must sign and return conduct slips the day after being given to the student.</p>
3	<p>Bus Suspensions A student may lose bus riding privileges if the behaviour concerns continue or if there is a severe incident. A loss of bus riding privileges could be a single day or for multiple days.</p>
4	<p>Individual Consideration Severity of behaviour, length of time between offences, and individualized needs will be considered before consequences are given.</p>

Notes to Parents

1. Be certain that your child is at the bus stop five (5) minutes before the scheduled pick -up time. The bus is not able to wait for those who are late.
2. Remember that the proper conduct of your child is your responsibility.
3. Parents/guardians are responsible for damage to a bus caused by their child.
4. Students are to use their assigned bus and designated bus stop unless alternate arrangements have been made in writing.
5. Parents/guardians are reminded that they are responsible for their child's safety until they board the bus in the morning and after they leave the bus in the afternoon.
6. Parents and students should be aware that buses are equipped with video cameras to monitor student behaviour.
