

## Education Assessment

✓ **Educational value has been assessed**

*Comments: (i.e. strengths, limitations, best practice suggestions)*

ChessKid teaches the game of chess with lessons and play. Each player, regardless of mastery level, can learn from lessons and videos that cover a wide range of topics, such as an introduction of each chess piece, opening offensive and defensive strategies, and common attacking patterns. Videos are followed by interactive quizzes, so players can test their new knowledge.
