

Hul'qumi'num Culture and Language Program 2018-19

Uy' skweyul (Good Day),

The schedule for the Hul'qumi'num Culture and Language Program for the 2018-19 school is attached.

The Hul'qumi'num schedule usually changes each year and our goal is to bring as many schools as possible into the rotation. Unfortunately, we cannot provide Hul'qumi'num to every school in a year. But if you would like assistance with a special cultural event/protocol at your school, we can provide help. **For 2018-19, the Hul'qumi'num schedule will be the same as the 2017-18 schedule.**

Please note that some schools receive Hul'qumi'num all year. This is because:

- The school has a high number of students from local First Nations communities and we prioritize language availability for students from our local Hul'qumi'num-speaking nations or
- The school has a long history of being very involved with the T'uxusthamsh language competition in the spring

- the regular classroom teacher should be present and assist with any concerns that come up during the lesson
- We will invite classes receiving Hul'qumi'num to participate in the annual "T'uxusthamsh" (formerly "Spuptitul") language gathering happening in the spring (date to be determined)
- If you have any questions regarding the Hul'qumi'num team or schedule, please contact the District Principal of Aboriginal Education Ted Cadwallader 250-741-5318 ted.cadwallader@sd68.bc.ca
