

# Bonjour tout le monde!

Have you ever wished your child could be fluent in both official languages?

If your child is entering Grade 6 in September 2025, they can enroll in the Late French Immersion program at Quarterway Elementary. Students do not need to have any background in French to enroll. Registration is now open. A link to the district's registration page can be found at [www.sd68.bc.ca](http://www.sd68.bc.ca)

Late French Immersion (LFI) is a fully funded, two-year public education program. Students who complete Grades 6 and 7 in LFI can continue to the secondary French Immersion program at Nanaimo District Secondary. Students who complete Grade 12 in French Immersion are can earn both a British Columbia Certificate of Graduation (Dogwood Diploma) and a Diplôme de fin d'études secondaires en Colombie-Britannique if they meet the graduation requirements.

More information about Late French Immersion can be found through the QR code below or by clicking the link:
