Dear Ben:

Thank you for writing to the Board of Education.

During these past two years we have worked hard to help our students be successful at school. You are correct that we all work together. Our board believes this is what makes the world a better place for everyone.

Thank you again for your letter. It is my favourite letter I have received since becoming a school trustee.

Sincerely,

CMcKay

To The Namaimo and Lady Smith School Board:
I wanted to say a Great Big Thank You for all
your hard work on taking good care of your
students. You all worked so hard on keeping
your students very safe during the hard and
challenging 2 years living with Covid 19.
We all work together as a team such as
Police, Firemen, Paramedics, Teachers, and Every
Essential Worker has done a great job together
as a team work. Thank you so much for all
your hard work on keeping your students safe.
Keep up the good work, you're doing a great
job and I hope that Covid will come to an
end real soon? Thank You.

Ben V
