

**RE: Board Correspondence – South Wellington Project**

Dear Cedar Community Secondary School PAC,

Thank you for your letter dated September 23, 2021. It was shared at a public meeting held on September 29, 2021.

On behalf of the Nanaimo Ladysmith Public Schools' Board of Education ("Board") I wanted to thank you for taking the time to acknowledge your support of the potential use of the South Wellington school site. The Board believes this unique project with the Regional District of Nanaimo will result in a space the community will benefit from for years to come.

For updates on the project, please visit the district's South Wellington Project [webpage](#).

Sincerely,

Charlene McKay  
Board Chair

To The Board of Education of SD 68:

This letter is written in support of the "South Wellington Project". The Advisory Council of Cedar Community Secondary School represents the community of South Wellington as part of our student catchment area.

The Advisory Council supports the decision to lease the land and building to the Regional District of Nanaimo, giving an opportunity for it to be utilised by the community. We also support the South Wellington and Area Residents Association in their efforts on behalf of our residents.

We see this development benefiting our students in the future, as very little is available at this time.

Thank-you,

Parent Advisory Council
