

RE: Prom/Grad Committee

Thank you for your reaching out to the Nanaimo Ladysmith Public Schools' Board of Education asking the Trustees to consider an examination of the current prom and graduation processes in the district. Your correspondence was shared with the Board at a meeting held on December 14.

On behalf of the Board, I wanted to let you know that this topic was discussed at the meeting and has been referred to the district's Policy Committee for further discussion. The Committee consists of school trustees and district staff. The next meeting will be held in the new year.

At last week's public meeting, district staff included a background [information sheet](#) along with your letter. This may provide further insight as to why a decision was made some time ago to separate prom activities from district operations.

At this time, I want to assure you that we are taking the time to discuss this topic and will be exploring all options and scenarios. We will be in touch in the near future.

Sincerely,

Greg Keller
Board Chair
