

Letter from the Office of the  
Superintendent

October 28, 2022

**RE: Cinnabar Valley Elementary Crosswalk**

Dear Linda Ali:

Thank you for your letter to the Board of Education dated October 17, 2022. It was shared at a meeting held on October 26, 2022. The Board has asked that I respond to you directly.

I appreciate the time you had taken to write a letter sharing your concerns for student safety in the area around Cinnabar Valley Elementary. We have heard from others that traffic has and will continue to be a concern in many growing parts of our district, Extension Road area included. Crossing guards are in use in other areas and have proven to be successful in creating a safe route for students and families alike.

At our Board meeting held earlier this week, the school trustees had a brief [discussion](#) about traffic safety as well as active transportation. A motion was passed on this very topic and will be discussed at the next Long Range Facilities Plan (LRFP) Committee meeting. It is expected that the Committee will provide a recommendation for the Board to consider. The next LRFP Committee meeting will be held in the next month with a report to the Board following shortly thereafter.

Thank you once again for sharing your concerns.

Sincerely,

Scott Saywell  
Superintendent/CEO
