CBC Profiles Nanaimo

CBC's GEM Good People series [\(Waste\)](#) focuses on Nanaimo's efforts to become a Circular Economy. Nanaimo keeps 68% of garbage out of the landfill, which is the best in BC and a number so high, we can put it up against anywhere in the world.

Check out the video; it will be showcased Friday, June 5, 2020, but is available now. Departure Bay Eco-School is also featured. Nanaimo coverage starts at 10:31 minutes, but the entire episode is a must see.
