

Long Range Facilities Plan

The Board of Education is asking for your input on how to best involve the community for its new Long-Range Facilities Plan.

Please fill out this [short survey](#) to let them know how you think the community engagement should be designed.

Board Report

At the Business Committee meeting on November 13, Director of Finance Taunia Sutton provided a finance update as well as a surplus and local capital update.

The committee also received an update about lead in water testing from Assistant Director of Planning & Operations Brian Hackwood.

See the [full report here](#).
