

Dear Parent (Guardian):

February 13th, 2018

Randerson Ridge Elementary is taking part in City of Nanaimo's School Travel Planning process this school year to address school transportation concerns and encourage and support more students to walk, scooter or cycle on their journey to and from school.

The benefits of active school travel include:

- Increased safety
- Improved health
- Arriving alert and ready to learn
- Less stress, greater happiness
- Less pollution

Please take 8 to 10 minutes with your child(ren) who attend this school to complete this survey. This survey will help to better understand the travel choices made by families at Randerson Ridge Elementary with the purpose of improving the safety and health of the school community. **You only need to submit one survey per family and return it by February 16th, 2018.**

If you have any questions about the survey or the School Travel Planning project, please contact: Lise Richard at lise@hastebc.org

Thank you,

Darren Brick
