

Washrooms at School

Flush Toilets

Some classrooms have a washroom located in the room.

Stalls with Toilets

Some classrooms use a washroom near the classroom.

These might be the washroom to use when playing outside at recess.

Automatic Flush Toilet

These can be loud when they flush.

Automatic Flush Urinal

At school, there are washrooms for everyone.

Washrooms at School

Children need to be independent with toileting.

This looks like:

- close the door
- use the toilet
- wipe
- put used toilet paper into the toilet
- flush
- wash and dry hands

If your child is not yet independent, please be sure to inform the school to work out a plan.

Always wash your hands after.

Soap

Sink

Dry Your Hands

Paper Towel

Air Dryer

Air and automatic hand dryers can be loud.
