

Direct Access

How do I know if I have Direct Access?

Select your Wifi on your laptop/Surface and School District 68 Direct Access will be at the top

Connect to your Home Wifi

Connect to your Home Wifi first before logging onto the laptop

Logon to your laptop

Once you are connected to your Wifi and you see the [Wifi](#) icon showing network access, you are [connected](#) and ready to logon to your laptop with your SD68 username and password.

Don't see your network drives?

Restart the laptop and try again.
