Board Meetings

At the Special Board and Business Committee meetings Wednesday, September 16, 2020 the Board made a motion to the BCSTA provincial council to encourage the Ministry of Education to develop a co-governance model to improve communications during the COVID-19 recovery process. The business committee received a restart update, information about the financial year end surplus allocation and compensation reporting.

Secretary-Treasurer Walsh also provided results on the environment stewardship policy consultation and the long-range facilities plan.
